## Kuna Curbside Clean Up 2025

The event will be held over 2-week period leading up to the Hazardous Waste Drop Site Event held on Saturday May 3rd. Our customers within the city limits will be allowed to place large bulky items and excess trash on the curb at no extra charge on your regular service day. Your pick-up week will be determined by the color coded map that is attached. You can also refer to the map on our Facebook page or J&M website. The red areas will be serviced on the first week April 21st through April 25th and the yellow areas will be serviced April 28th through May 2nd. Items placed at curbside need to be no more than a regular size pick-up truck bed amount. All Hazardous waste (T. V's oil, paints, pesticides, car tires, batteries, and any other items that contain freon) will need to be brought to our drop off event on Saturday May 3rd , following the 2 weeks of curbside pick-up. We will NOT pick up any hazardous waste items curbside.

Items NOT accepted curbside or at drop off site are dirt, rock, concrete, sod, or large amounts of wood.

All Items that are not large bulky items need to be bundled, boxed, bagged, or in a container no larger than 35 gallons and no more than 65 pounds.

Our Hazardous Waste drop site event will be held on Saturday May 3rd at the end of the 2 weeks of curbside pick-up. Residents will be able to bring their household Hazardous Waste items to this event. All tires and refrigeration units will be taken at a discounted fee. We will not be taking general waste or scrap metal at this event, only hazardous waste.

All City Of Kuna residents dropping off at the Hazardous waste event will be required to present a City Of Kuna Water bill. Renters can get a copy of the bill from their landlords. If you are not able to get a copy of the water bill you must provide another solid proof of residency.

Thank you for your cooperation and allowing us to service the community.
